

College life begins for the freshmen

Above—Freshman Jim Kirley, Casper, Wyoming, seems to be well supervised by upper classmen. Left to right Stan Hazen, Fritz Baltan, Bob Rose, Dale Galtz, and Don Budolfson are all giving Jim good advice.

Right—Janet Douglass, Anoka, gets some last minute advice from her mother while her brother takes care of the baggage.

Left—Packing is always a problem for college students and a bigger one for freshman. Checking over the list is Carol Benson, of Jackson, center, and Punkie Knorth, right and her mother of Red Wing.
