Hi! I'm Mike Bourdaghs, the new Music Director at WMCN, 91.7 FM, the only "progressive" station in St. Paul. I hope you will excuse the delay in getting this playlist out. The transition period has been hectic, but I hope to have a more recent playlist in your hands within a week or so. Much has been happening here: The Betsy Kaske Band performed in a benefit concert for WMCN at Duffy's, one of our area's best music clubs; we have a new show featuring interviews with, and the music of bands appearing at another Minneapolis club, Zoogie's.

More station news in a week. Until then,

*Mike*
