

## Campus Construction Key

1. Campus Drive will run from St. Clair to Grand. Completion: Fall 1994 or Spring 1995.
2. Athletic Fields will be expanded across what is now the east side of Macalester Street. Completion: Fall 1994/Spring 1995.
3. Rice and Olin Science Halls will be completely renovated. Completion: 1996 or 1997.
4. Janet Wallace Fine Arts Center will be renovated. A new entry lobby will fill the space between the Theater and Music buildings. Completion: 1996 to 1999.
5. The Field House will grow to cover the area currently occupied by three outdoor tennis courts. Physical Plant will move to a new space in this area's basement. Completion: 1996 to 1998.
6. 77 Mac will get an elevator. The house at 1649 Lincoln will be removed to make room for the addition. Completion: 1994 or 1995.
7. The Three Little Pigs (53, 57, and 63 Macalester St.) will be removed; it isn't yet clear what will be put in their place. It has been mentioned as a possible site for a new dorm or offices. Completion: unknown.
8. 37 Mac's fate is unclear. Like the pigs, it does not have long to live. The lawn between it and the Alumni House is marked as parking spaces in most preliminary blueprints. Completion: unknown.
9. Kirk Basement is in the midst of renovations.
10. Dayton Hall needs renovations to bring it up to code; a decision on whether to renovate or simply raze it will wait until plans for the Campus Center are finalized. Completion: unknown.
11. The Campus Center is entering the design phase. Renovations on existing buildings could begin by this summer, but construction of the new building will not begin until after then. Completion: unknown.
12. Dupre Hall will be renovated in stages over the next three summers. (See story, page 3.)
