**I gotta get breakfast
but check out this
article about the
NHL expansion!**

**Digit Murphy is a
legend in women's
hockey and this is a
great step towards
building bridges btwn
American and
Canadian pros**

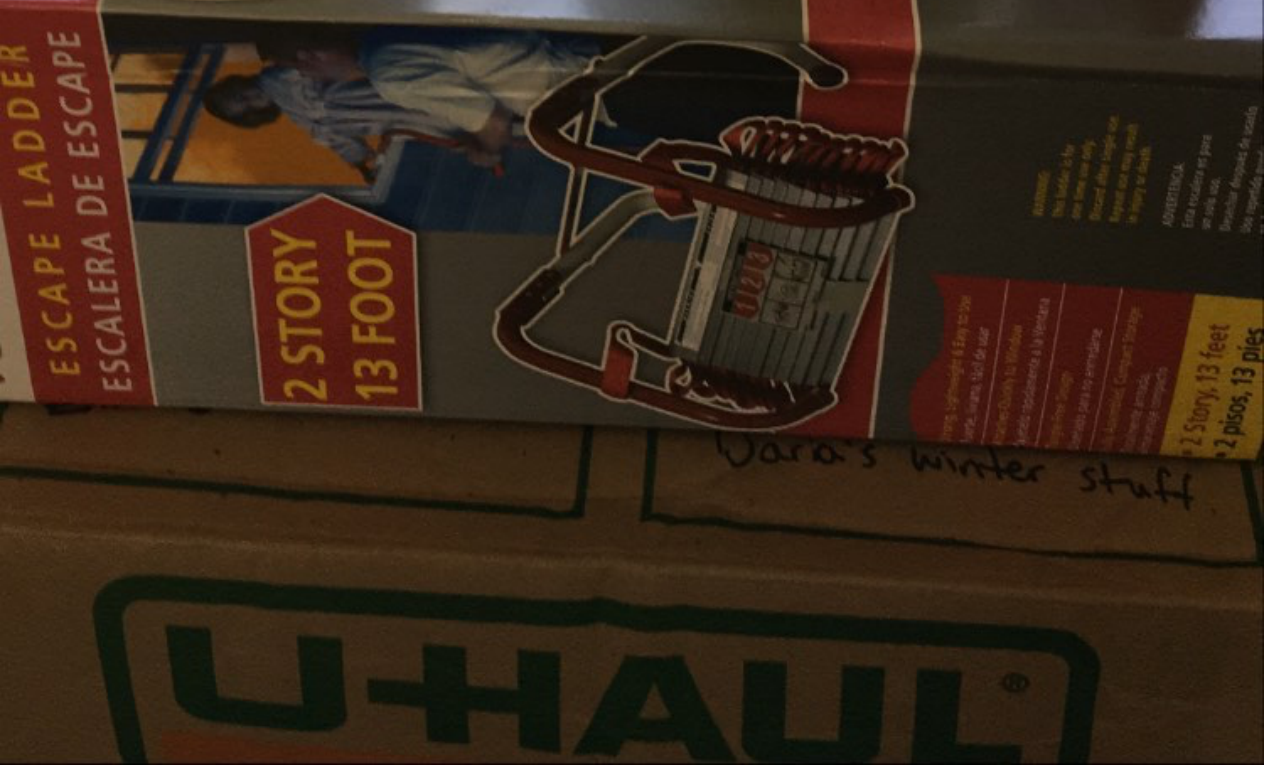

lil workout!

**working on rebuilding
some confidence
since I haven't really
been in the gym since
high school**

these are my plants :)

these are also my

plants :)

**these are, thirdly, my
plants!!**

**except these two
whom I'm babysitting**

**if you know me you
know I love yogurt**

A photograph of a desk setup. In the background, there is a shelf with several books, including one with a butterfly illustration on an orange cover. A laptop is open in the middle ground, displaying a website. In the foreground, a large, textured grey knitted shawl is draped over the desk. The text is overlaid on the image in white font on blue semi-transparent rectangular backgrounds.

**Just had zoom office
hours with one of my
favorite profs and got
some knitting done -
I'm almost done with
this shawl for my
sister; working on the
bind off rn**

I finally bought a street hockey stick after realizing I won't have access to ice this summer. Working on toe drags today

**DM me @dariastaria if
you want tips on how
to work on hockey
things without access
to team gear/facilities!**

**but also, no pressure!
things are hard rn.
Hockey is a thing that
keeps me sane, but
that is not the case for
everybody**

just finished class for
public history
